

LEAD. 2012

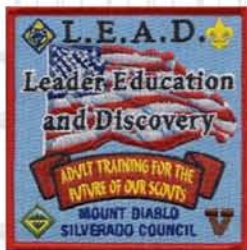

3,2,1 Blastoff!

Mark your calendars and get ready to launch your scouting program outta this world! The 2012 LEAD promises to be the biggest and best yet. Whether you're a volunteer or an old hand; a youth facing leader or a committee member; and regardless of your program: Cubs, Boy Scouts, Venturing, or Varsity. There is something for you. There will be over 120 courses in five Colleges: Cub Scouts, Boy Scouts, Outdoor Programs, Venturing, or Continuing Education. Best of all – you are free to take courses in any one of the five Colleges. Build a schedule that suits your needs and interests. Back by popular demand, Position Specific training will be available for most positions. Online Registration opens end of November. Seating in all courses is limited so sign-up early for the best selection."
